Dear Mr. Tanaka,

Enclosed herewith please find the following project proposal for seeking possible funding under the GEF Special Climate Change Fund. The proposals are as prioritized in the National Adaptation Programme of Action (NAPA) document:

1. Piloting climate change adaptation to protect human health
2. Hazard zonation of the GLOF along Chamkhar Chu and Installation of the Early Warning System along Pho Chu
3. Artificial Lowering of the Thorthormi Lake

We would therefore like to request UNDP to kindly submit the project proposals to the GEF for possible funding of the above mentioned projects. We thank UNDP for the continued support and kind cooperation in accessing fund from the GEF.

Yours sincerely,

  
(Sonam Wangchuk)
